A MARATHON IS MORE THAN A RACE ...

It is a great celebration of spirit and fitness that showcases the passion and zeal of the citizens of a city, and nowhere is it more visible than in the spirit of giving that accompanies all great city marathons. Today, most major cities in India have a city marathon, but Mumbai stands head, shoulder and waist above other cities in the largeness of its heart and the caring power of its society, corporate entities and citizens in giving to crusaders for the underprivileged.

The association between a distance runner and raising funds for a cause is a long and glorious one. Both activities require similar passion, conviction, determination and hard work. Both are very personal and self-driven. Both are extremely rewarding to the soul. In this docket, we are proud to recognize and applaud the achievers who share this belief.

The Standard Chartered Mumbai Marathon in its 11th edition this year has cemented its place as not just India's biggest annual sporting event, but also as the biggest charity event in India and the Asian sub-continent. Through United Way of Mumbai, the official charity partners of the event, SCMM 2014 has generated an estimated ₹ 20.11 Crores for 269 participating non-profit organisations, addressing important causes for the less privileged in our society. The amounts raised are a humbling acknowledgement of the tremendous caring and giving power of our communities and also a testimonial to the credible charity platform that the Standard Chartered Mumbai Marathon provides.

Another wonderful aspect of the marathon is the emotional connect of our city authorities with the event. The Government of Maharashtra and the custodians and caretakers of Mumbai's well-being, have whole heartedly supported this grand sporting spectacle that unites people from different walks of life – running together in a celebration of life, fitness and causes. Their unwavering support has enabled SCMM to showcase the spirit of Mumbai to the world.

No great accomplishment is without its share of inspirational stories and each of the individuals and organisations listed in this docket, serve as a heart warming example, of the great difference and significant contribution we can make to others lives.

Thank you all, for making this phenomenon called the Standard Chartered Mumbai Marathon possible. For giving us your support, time and for pledging to make the society that we live in, a better place. It is a positive social revolution.

MESSAGE

The Standard Chartered Mumbai Marathon has emerged as one of the most exciting and eagerly awaited annual events in Mumbai. It is heartening to see the entire city, and even people from other parts of the country, coming out in large numbers either to participate or to cheer the participants from India and different countries of the world at the Marathon. I am always moved to see the resolve and determination of the handicapped and the differently-abled persons who take part in the marathon defying all physical limitations. It is heartening to note that the Mumbai Marathon has also emerged as one of the biggest charity raising platforms wherein an amount of 20.10 Crore has been raised till date by 269 NGOs.

I congratulate the Event Promoter and the United Way of Mumbai for their efforts and initiatives in hosting SCMM and wish them continued success in their future endeavours.

(K. Sankarnarayanan)

FROM THE CHARITY PARTNER'S DESK

As the curtains come down on what has been the most successful Standard Chartered Mumbai Marathon since inception, the record charity figures in this docket stand testimony to how the SCMM has transcended its sporting nature to become one of the most important platform for philanthropy in the country and the world. At United Way of Mumbai we have been on the crest of this extraordinary platform for giving and a witness to the most remarkable stories of human generosity towards the well being of others lesser privileged. Nothing is as beautiful and uplifting as to have people step out of their comfort zone and reach out to friends, families and even strangers to come together for a common good.

Our attempt as charity partners to the event is to provide and maintain a strong credible and efficient medium to facilitate the connections between donors and beneficiaries. We try with every edition to strengthen the charity platform with an effective structure and process, but ultimately it is the participating NGO's, their supporters and fundraisers who craft and create these incredible figures. The SCMM is an opportunity for NGO's to not only build their resource mobilization capacity but also more importantly an opportunity to build and nurture relationships with donors.

14,742 people donated to a cause through SCMM 2014. 1,254 people registered to raise funds for their cause. Over Rs 20 crores has been raised for 269 organizations to aid their work in correcting social inequalities. In our society where Rs 1000 can ensure a child goes and stays in school and Rs 500 can foot medical assistance for the elderly, the impact of this figure is truly heart lifting. Beyond the monetary figures, thousands of connections and relationships were made. The Standard Chartered Mumbai Marathon is over within a few hours in the morning of a very exciting third Sunday of every January but the life altering impact of the event reverberates in the improved lives of the beneficiaries long after the event.

With our short video titled 'Give the right way', our emphasis has also been not just on Giving but Giving in the Right Way. Each of the 270 participating NGO is approaching its intervention area through a structured, insightful and effective program, therefore 'giving' through organizations that are better equipped to address the issue is more sensible than empathy based arbitrary giving which, even though an act of kindness, often do not have sustained impact.

For the success of the charity figures in this docket, many acknowledgements are due. I would like to thank the entire team from Procam, who along with the various event partners, make this extraordinary sporting event come alive every year and who through their vision have scripted an event that goes far beyond the sporting field to create life altering impact for lakhs of beneficiaries across the country. On behalf of the sector I would like to thank the 171 companies who chose the SCMM as the medium to direct over Rs 9.7 Crores in donations under the corporate challenge category. It is always very humbling to be in the presence of a fundraiser, the youngest is 12 years old and the eldest is 83 years old. This amazing gesture of yours to extend yourselves on behalf of others is incredible. I am grateful to each and every donor, for your generosity and willingness to help make a difference. I cannot emphasize how for an organization facing the beneficiary, every donation and every donor creates a world of a difference.

And finally I want to thank every well wisher of this great event. The greatest strength of the charity platform is its goodwill. Sometimes the dots are not directly connected or visible and yet, are integral for creating the big picture. Thank You.

Sadashiv S. Rao
For "Isha Education"
₹ 18,03,802

Sadashiv S. Rao, the Chief Risk Officer and member of the Management Committee of IDFC by profession and a half marathoner by passion, has been raising funds in support of his NGO Isha Vidhya for rural education since the 2009 edition. As a Dream Champion since SCMM 2011, he has raised over ₹ 55.88 lakhs for the NGO.

“Though the amounts raised each year have increased, the efforts have not increased commensurately thanks to the ease with which the whole process from collection, collation, compilation and receipting is done by the Charity Partner. The process is so smooth and transparent that one could donate any amount knowing fully that it would be received by the beneficiary. My friends, colleagues, associates, family members expect my email literally as a ritual a month before the Standard Chartered Mumbai Marathon and contribute regularly. It gives me immense satisfaction to make a difference in the life of under privileged children and hope the donors echo this and continue to contribute. I look forward to doing this year on year with Sadhguru's Grace.”

An inspiration for thousands, Sankara Raman Srinivasan, founder of Amar Seva Sangam, has been a patron of the Standard Chartered Mumbai Marathon – participating and raising funds for his NGO since the Event's inaugural year.

“Standard Chartered Mumbai Marathon is a pioneer in providing a platform of multitude of NGOs to raise awareness and funds. I am delighted to be part of this movement. Many people ask what compels Sankara Raman to come to Mumbai in January each year all the way from Chennai to participate at the Standard Chartered Mumbai Marathon? My answer is quite simple - disability cannot confine anyone; disability also does not confine one's efforts to reach out and raise funds. The event is also a great opportunity for my NGO to promote itself. Connect to India Inc. also is easier through the event. I will certainly keep coming back and spread the message of goodness each year.”

Rumi Taraporevala
For "Society For The Education Of The Crippled"
₹ 11,97,551

Wearing two hats, **the eldest fund raiser of SCMM 2014** at age 83 years and the **highest fund raiser amongst Dream Wizards**, Rumi Taraporevala has raised ₹ 11,97,551 for the Society for the Education of the Crippled. 78 donations, the largest contribution being ₹ 3 lakhs and the smallest being ₹ 500. We salute you Mr. Taraporevala!

He was part of the Scouting movement in school, and continues this connection to this very day. One of the Scouting tenets is to do a good turn every day. Says Mr. Taraporevala,

“ We had a brilliant idea that since we may not be able to do a good turn every day, why don't we do one big good turn once a year! With this in mind, we adopted the Society for the Education of the Crippled as our good turn goal for a grand Christmas party every year. We have continued this practice without a break for the last 40 years. I ran for the SEC at SCMM 2005, I now hobbled for the SEC at SCMM 2014 – my most favourite cause! I am very happy to do my little bit for charity through this world class event, which has a broad canvas, and a great reputation for the funds collected to go to the designated NGOs. ”

Anisha Johri
For "Family Service Centre"
₹ 8,36,856

2nd Highest Fund Raising Dream Wizard

Not new to fund raising through the Standard Chartered Mumbai Marathon, Anisha Johri has consistently been raising funds for Family Service Centre over 4 editions. Family Service Centre is a voluntary organization committed to preserve, promote and strengthen the family as a unit. The centre strives to reach out to families in difficult circumstances through its various non-institutional and community-based programmes, namely sponsorship, foster care, adoption and counseling. The Ultimate goal is to empower the family, the core unit of the society. This Dream Wizard has successfully collected ₹ 8,36,856 for her pet NGO, making her the 2nd highest fund raiser amongst Dream Wizards at SCMM 2014.

“ Since the past 4 years, I have found the Standard Chartered Mumbai Marathon a very effective platform for collecting funds for my chosen NGO. I have been raising funds for Family Service Centre since many years and had been making small contributions in my own way. Through SCMM and United Way of Mumbai, I was able to increase the financial aid to them manifold. It is a concerted effort for a month or two through which I reach out to various friends and family who are spread across the globe. The online donation link makes it all the more easy for people to donate. The credibility offered through this event also makes people donate without any apprehensions. I have consistently had a very fulfilling experience which makes me want to use this as a medium every year. ”

Highest Fund Raising Dream Maker

Ramani Sankara Raman
For "Amar Seva Sangam"
₹ 28,77,013

“ I run for the institution my husband Sankara Raman has devoted his entire professional life to. Amar Seva Sangam works for the cause of changing the lives of the differently-abled children and youth so that they grow up as a useful resource and actively participate in society.

People of Mumbai are aware and sensitive to the problems faced by society. They are willing to participate in social events and are generous enough to make contributions for a good cause. Every year the event has grown bigger and it is pleasure for me participate and soak in Mumbai city's vibrancy.

Amar Seva Sangam is located at Ayikudy, a remote village in the south of Tamilnadu. Participating at the event makes our corporate reach that much more easy and there is better acceptance for our NGO by virtue of our participation at the Event.

We proudly relish the feeling of being "an Indian" whenever we participate in the Standard Chartered Mumbai Marathon. We feel that the event creates a platform for us to reach beyond our state to see all levels of societal changes and also share our experiences.”

She had the opportunity to work with international agencies like UNICEF, UNFPA and other non-government organizations as a consultant. This first time Dream Maker took up the mantle to promote and raise funds for her NGO, Population First through SCMM 2014.

“ Standard Chartered Mumbai Marathon is one of the largest fund raising platforms in India. It is an event that touches the hearts of people, takes the message to lakhs across the country. It also gives an opportunity to people to put money where their heart is and say a big thank you to all those organizations and individuals who are making a difference to this world making it more inclusive, just and livable. It provides the best opportunity to raise funds for your organization and I am glad I did, as apart from the money raised I was also able to garner lot of support and goodwill for the organization which would continue long after the run.”

“ Standard Chartered Mumbai Marathon is a high profile event which everyone is aware of and which has always been known as a fund raising platform for charitable organizations. This made my fund raising efforts easier for Karunya Trust. My appeal carried more weight and the responses were very good because I was fund raising at the SCMM. ”

WE CARE

The 'We Care' category comprises of all the individual donors and fundraisers who may or may not be participating in the Standard Chartered Mumbai Marathon but choose to support causes through the charity platform available of the event. SCMM 2014 saw 1158 individuals registered online fundraising pages, and together with offline fundraisers raised ₹ 2.36 crores for 119 NGOs. The SCMM's online fundraising pages on the United Way of Mumbai website are the most cost efficient and convenient means to raise funds for NGOs in India, 100% of all funds donated on the pages are disbursed in full to the beneficiary NGO. UWM absorbs all payment gateway charges on the same. In addition ₹ 3.5 crores was raised through 4053 charity running bibs for 215 NGOs at an average of ₹ 8,753 per bib.

THE YOUNGEST PHILANTHROPISTS

Meera Mehta -

*Youngest Dream Teamer amongst the ladies – 15 year old Dream Champion,
Raised ₹ 10,00,300 for Shrimad Rajchandra Love & Care*

A child's love is said to be the purest form of love. There is a lot to learn from them. So when the shy and excited five-year old Meera experienced her first joy in giving, her life changed forever. At a very early age Meera was taught to say 'Thank You' to the less privileged children she was offering goodies to by Guru Pujya Gurudevshri Rakeshbhai. It was very simple – you are thanking them as they were giving you an opportunity to serve. A lesson which has stuck on till date.

One of the many principles on which Shrimad Rajchandra Love and Care (SRLC) is based, is similar. SRLC is a 10 activity based programme that focuses on transforming the lives of the less privileged. This programme allowed Meera to explore the condition and lives of people living in rural India. Moved by the disparity she saw and inspired by her Guru, she set forth to make a difference.

At the tender age of 13, Meera set a benchmark by raising ₹ 1 lakh for SRLC in SCMM's 2012 edition. Meera selflessly asked her friends to donate money instead of giving her gifts on her first teenage birthday party. Meera continued her fund-raising at SCMM and her dedication yielded rewards in the 2013 edition when she raised ₹ 5 lakhs!

However, the story of Meera does not end here. Through her journey, Meera's bond with a girl from rural Gujarat, Sonali stands tall. Sonali, a girl originally enrolled in the organisation's school - Shrimad Rajchandra Gurukul in Dharampur, was touched by Meera's genuineness. Today, thanks to Meera's support, spiritually and financially, Sonali is studying medicine in an institute in Karnataka. Deeply motivated by the organisation's and Meera's support and kindness shown to her, Sonali feels inspired to give back to society as her way of simply saying 'Thank You'.

This edition, this 15 year old forged ahead and took up the challenge of enrolling as a Dream Champion. Inspired by her dedication, many came forward to champion her cause. Her friends from the U.S.A., Trishna and Hetvi, too extended their support. Meera is a true testament to Shrimad Rajchandra Love and Care's theme this year at the SCMM 2014, 'Extending Love and Care'.

Sumer Punjabi

*Youngest Dream Teamer amongst the gentlemen – 13 year old Dream Maker,
Raised ₹ 2,52,300 for Concern India Foundation*

“When I was younger and saw children on the streets of Mumbai wandering around aimlessly, I wondered why they never went to school like me. I would question my parents about the same and was told that due to lack of funds for their education, their parents were unable to send them to school. When my mother told me about this opportunity to run at the marathon for a cause, I immediately agreed. Being a Badminton player and training daily, I knew I could easily run the 6 kms and that too for a good cause. This excited me and I decided that I would run for Concern India Foundation's education initiatives to educate underprivileged children living on the streets of Mumbai.

When I first started to raise funds for my cause, I never thought I would be able to raise anything at all. But the month's build-up to the marathon were an eye-opener for me as I realised that people were more generous and willing to give and donate than I had thought. Whenever I would mention what I was running for, they would come out and donate bigheartedly. This motivated me to do better and to reach out to more and more people. This eventually made me the youngest runner to raise the maximum funds at the 2013 edition of Standard Chartered Mumbai Marathon. More than that, even my school acknowledged my work and appreciated my efforts.

In the last two years I have also learnt a number of ways to raise funds – from directly asking friends and family to donate, to using the social media, to collecting money through newspaper drives. Over all, it has been an interesting and exciting journey so far. I have learnt a lot, not only from my family and friends but also from strangers who have made a difference to my cause and the lives of many other young children through their acts of kindness and generosity. ”

Over the last 5 years, Kotak Mahindra Bank has earned the distinction of being the most active corporate at the Standard Chartered Mumbai Marathon. The company has always encouraged employees to raise pledges. A robust communication between Kotak runners, employees and NGOs has shown results in the form of pledges raised by its runners.

Kotak Mahindra Bank Ltd.

**HIGHEST FUND RAISING COMPANY
IN CORPORATE CHALLENGE**

₹ 37,64,464

“ CSR at Kotak is a collaborative effort where both the management and employees across the group work to make a difference for the underprivileged. Standard Chartered Mumbai Marathon is one such platform which gives us an opportunity to contribute collectively. We sponsored runners across the group who not only ran the distance but also zealously raised pledges. This award is a testimony that Kotakites are passionate, committed and eager to do their bit for the underprivileged. ”

C. Jayaram

*Joint Managing Director,
Kotak Mahindra Bank*

“ Standard Chartered Mumbai Marathon encourages the spirit of running and at the same time creates a platform for corporates, NGOs and individuals to support social causes. This makes the society more participative and helps build awareness of various causes on a wider scale. Kotak Mahindra Bank is also aligned with the philosophy of a collaborative CSR approach. As an organization, Kotak encourages employee participation and involvement in its CSR initiatives. Kotak's participation at the event has led to a growing community of runners in the organization, some with no athletic background, who train and run the marathon not only to improve their fitness level, but also raise pledges for a cause with as much enthusiasm. SCMM as a platform brings together employees across the organization to participate and raise funds collectively for social causes. Over the years, this collaboration has led to a community of enthusiastic Kotak runners who run the marathon for not only their physical wellbeing but also raising pledges for our identified NGOs. Other employees also participate in this endeavor by contributing to the pledge raising efforts of our runners, making it an engaging process. ”

Highest Individual Fund Raiser

K.V.S. Manian

President, Consumer Banking, Kotak Mahindra Bank
For "Cancer Patients Aid Association"
₹ 7,02,100

Philanthropic at heart, Manian contributes regularly towards various causes.

“When I took up running with a view to improve my fitness, the obvious choice was the marathon in my home city, Mumbai. What also attracted me was the concept of raising pledges for NGOs through this platform because it gave a higher purpose to my efforts. Running in marathons can be a hobby for privileged members of society and combining it with a purpose of giving back to the unfortunate and underprivileged section is indeed a very good idea. That primarily was the driving force behind my own decision to raise pledges for an NGO.”

HIGHEST INDIVIDUAL FUND RAISERS IN THE CORPORATE CHALLENGE

2nd Highest Individual Fund Raiser

Shanti Ekambaram

President, Corporate and Investment Banking, Kotak Mahindra Bank
For "Society of Parents of Children with Autistic Disorders"
₹ 5,61,002

She is a regular runner and fund raiser at the SCMM.

“I chose SCMM as it enables me to reach out to a wide cross-section of individual and corporate donors to garner support for a cause I deeply believe in. Additionally, it provides the credibility and trust that is essential for donors so as to ensure that the raised funds reach the purpose for which they are given.”

Godrej & Boyce Mfg. Co. Ltd

2ND HIGHEST FUND RAISING COMPANY
IN CORPORATE CHALLENGE

₹ 32,31,000

Godrej & Boyce Mfg. Co. Ltd. is a testament of the quote by Israelmore Ayivor “With teamwork, any little contribution you make yields greater output when it meets the contribution of others, and guess who gets the plus? Everyone in the team!” The organization has been fielding multiple Corporate Challenge teams at the Standard Chartered Mumbai Marathon for the last 7 editions. At the 2014 edition, with 3 Corporate Challenge teams and contributions from 3,925 Godrej & Boyce employees, the company **collected an aggregate of ₹ 32,31,000** benefitting Republican Sports Club, Vasantha Memorial Trust and War Wounded Foundation.

“ The Standard Chartered Mumbai Marathon is a unique platform to raise funds for genuine causes and make a difference to the needy. It provides the spirit and enthusiasm to run for a cause, bringing employees together to collectively and dedicatedly collect funds for the NGOs, which ultimately creates bonding and employment engagement. It has provided an avenue for our employees to contribute their mite for the betterment of society by participating in the run and also actively soliciting funds for the Causes, we all at Godrej believe in. ”

Alok Mehta
participant from Godrej Interio

“ All 75 of us have been blessed to start our 2014 year with such a wonderful event. SCMM 2014 was a perfect display of the spirit, energy, determination and dedication displayed by of the people of Mumbai from all strata of the society towards a noble cause of supporting several NGOs. The entire journey was indeed memorable and to be cherished forever. When I reached Bandra Worli Sea link along with my fellow Godrejites for my first ever half marathon, I could see the zeal and enthusiasm on everyone's face. The most important part of this journey was the 3 NGOs Godrej has supported this year. I am sure this feeling for running for a good cause in itself added on to our energy boosters. ”

Republican Sports Club has raised ₹ 8,18,167 over the last three years through participation in the Standard Chartered Mumbai Marathon. Some of our achievements which can be cited are:

- Yuvraj Walmiki and Devinder Walmiki, both Senior and Junior India players, played in the recently concluded Hockey India League 2014
- Upcoming youngster Anup Walmiki attended the Senior and Junior India Camps in 2013
- Anup Walmiki captained the Maharashtra team at the Junior Nationals held at Solan, Haryana, in May 2013
- Nine players represented the Mumbai U-19 hockey team at the Junior Nationals held at Solan, Haryana, in May 2013
- With help from Godrej and Boyce, 40 underprivileged boys were provided with the basic needs of hockey players - i.e hockey sticks and astro-turf shoes. In addition, 20 players are given a stipend every month for their personal needs

“The greatest value of this organization is providing the tools and the means to network with peers. We have common problems, but often do not know where to turn for help in solving them. United Way of Mumbai through the SCMM platform provides a pool of resources to find those solutions. Second, of course, is the professional development of budding athletes.”

HELEN KELLER INSTITUTE FOR DEAF & DEAF BLIND

₹ 39,99,749

The institute which started more than three decades ago in a teacher's home today is a pioneering NGO in India and South East Asia for the education of Deafblind (a unique disability wherein a person is affected by both hearing/speech and visual impairment). Helen Keller Institute for Deaf and DeafBlind (HKIDB) is the first institute of its kind at least in South East Asia having brought about a change in the lives of many children from their earliest years. The institute opened its services to 'Deafblind Children' when the very existence of Deafblind as a separate disability was still being debated and the word was yet to be coined.

The institute provides free education to Deaf & Deafblind students. It has a strength of 75 Deafblind (of whom 35 are in the age group 0-10 years) and 75 Deaf students. There are also 50 adults undergoing vocational training and rehabilitation programs at the institute. The funds raised through the Standard Chartered Mumbai Marathon are utilised towards sponsoring education of Deafblind. Deafblindness being the severest of severe disabilities has a requirement of high teacher student ratio (1:2).

Isha Education

Isha Education is the 3rd highest
fund raising NGO at the
Standard Chartered Mumbai 2014
having raised ₹ 1,00,63,069.

Isha Education, through its Isha Vidhya rural schools and through adoption of rural Govt. schools, is engaged in making quality education accessible & affordable to the rural poor. Presently, there are 9 Isha Vidhya schools serving 5200 children of whom 60% are on full scholarships. 33 Government schools have also been adopted benefiting 26000 children.

The Standard Chartered Mumbai Marathon has helped raise ₹ 1.86 crores over the last 5 years, which have been used to (a) support 230 children with scholarships and noon-meals each year, (b) to build 25 new classrooms across the 9 schools, which help educate 1000 underprivileged rural children each year and (c) adopt 2 Govt. schools.

“The Standard Chartered Mumbai Marathon has by far been Isha Vidhya's biggest fund-raiser year after year. The platform provides the best opportunity to volunteers to enhance their health, transform lives and have a blast doing so. The fact that registration starts early and allows for Corporates to participate has helped us immensely.”

Vinod Hari
Project Director - Isha Vidya

Project “Nanhi Kali” aims to provide high quality learning outcomes guaranteed education interventions to underprivileged girls studying in government schools in poverty stricken urban, rural, and even conflict afflicted tribal regions in India. The project is currently reaching out to over 85,000 girls across 9 states in India.

Project Nanhi Kali ensures access to, and completion of, quality education at its Academic Support Centres. It provides material support like books, shoes, uniforms and stationery, and social support that involves counseling parents and the community on the importance of issues like education and gender equality. The sponsorship cost is ₹ 2400 per girl child each year for Std. 1-V or, ₹ 3600 per girl child each year for Std. VI–X.

Over the last 5 years, Project Nanhi Kali has managed to raise ₹ 1,87,47,475 over 5 years enabling them to reach out to and educate more than 1600 underprivileged girls from its project areas. They are grateful for donors like Castrol India Ltd, Johnson & Johnson Ltd, Mahindra & Mahindra Ltd and Gujarat Reclaim & Rubber Products Ltd who have been religiously supporting them for the past few years. They are also grateful to new donors HDFC Ltd, Binani Industries Lt, Novartis India Ltd, SRL Piramal Diagnostics Pvt. Ltd and Turner International India Pvt. Ltd., for their generous contributions.

“ Apart from giving NGOs an opportunity to raise awareness and much needed funds, the Standard Chartered Mumbai Marathon also provides a platform to demonstrate solidarity for a cause that participants strongly believe in. We at Project Nanhi Kali are grateful to the organizers of the SCMM for giving us the opportunity to garner further support for our cause of girl child education. This year, it was extremely heartening to see over 750 individuals come together and run to support education of the underprivileged girl child. ”

“MMC has been associated with SCMM for past five years. The Event provides a platform for NGO's, corporates, individuals and celebrities to come together and work towards the betterment of society. SCMM is not just a medium to raise funds but the event also helps to raise awareness about the most marginalised group of children we work with; the migrant children living on construction sites. Moreover, it helps us further strengthen our partnership with our consistent supporters and build new linkages. We look forward to be a part of SCMM each year!”

MUMBAI MOBILE CRECHES
₹ 42,07,767

Mumbai Mobile Creches (MMC) is a grassroot non-profit founded in Mumbai in 1972, with a vision for all children to have a nurturing and happy childhood. MMC runs comprehensive day care centres for children living on construction sites from birth to 14 years of age, in Mumbai, Navi Mumbai and Thane. Our model is well rounded and includes components of nutrition, health, training and advocacy in order to ensure that all children living on construction sites are safe, healthy and educated.

The funds raised each year from the SCMM helps the organization to run its day care centres on construction sites to provide health, nutrition and education to children from birth to 14 years of age.

Education: MMC runs daycare centres for children ages 0-14 living on construction sites, which includes crèches, balwadis and after school support for children between 6 to 14 age group who study at nearby municipal schools. Their educational model and materials are all tailored to specifically cater to the migrant child.

Health & Nutrition: MMC provides well-balanced meals and snacks daily to children at its daycare centres. Health of children too is monitored through weekly doctor visits and general health and eye camps conducted in partnership with other organizations.

Community outreach: MMC works to create awareness among migrant communities living on construction sites through our advocacy programme. We conduct street-plays, Lokdoot, and run informative “chai-pani” meetings meant to raise awareness on important social issues.

Corpus Fund: Some of the donors have directed their funds to our corpus fund, which gives us protection from erratic fund cycles.

A commitment to preserve our environment and battle all forms of pollution led Mrs. Kiran Bajaj to start the NGO Paryavaran Mitra or 'Friends of the Environment' in September 2004. It is headquartered at Shikohabad in Uttar Pradesh.

Paryavaran Mitra's main objectives are to prevent air, water, land and noise pollution. To fulfill these objectives, it has also been conducting various awareness programmes viz. Celebration of Important International days by conducting meaningful effective events, Training to farmers and students on environmental issues; education on importance of clean environment; wall writings on specific places i.e. schools, colleges, mandir, ghats, hospitals, etc. to propagate environment awareness messages, rallies and seminars, street plays, campaigns against use of plastic & consumption of tobacco, non lighting of Fire Crackers, use of Chemical Colours etc. It also exchanges information on environmental issues with other NGOs & Corporate & jointly works with them on environmental projects.

“ The Standard Chartered Mumbai Marathon is a great platform for like-minded people to come together for a cause, be it for a personal reason, for health, for friends and family or for a CSR you believe in. The Marathon is a great motivating method to get people to open their purses and donate or contribute for the charity they believe in as well keep one-self fit by running or walking. Contributions of employees, friends and family of Bajaj Electricals have benefitted Paryavaran Mitra. ”

SHRIMAD RAJCHANDRA LOVE & CARE

SRLC is the highest fund raising NGO at the Standard Chartered Mumbai 2014 having raised ₹ 1,58,90,901.

Shrimad Rajchandra Love and Care (SRLC) is an initiative to bring joy and offer service to all living beings. Shrimad Rajchandraji is its divine source of inspiration. Under Pujya Gurudevshri Rakeshbhai's able guidance, SRLC has over 50 projects spread across 30 cities worldwide, having touching over one million lives.

Over the last 4 years, SRLC has raised over ₹ 4.50 crores for its social initiatives by using the Standard Chartered Mumbai Marathon as its fund raising platform. At the 2014 edition of SCMM, SRLC also has the distinction of being the NGO with the highest number of Dream Teamers and Corporate Challenge teams.

- A one of a kind Rehabilitation Centre for the physically challenged named Shrimad Rajchandra Viklang Centre was established. Through this programme, residential rehabilitation camps and outreach camps were introduced.
- Housed at SRLC's hospital, the Neonatal Intensive Care Unit underwent expansion with new equipment and enhancement of overall facility. The NICU plays a major role in saving lives of over 500 infants annually born prematurely or with birth complications.
- A Blood Storage facility was set up in the hospital and an air-conditioned ICU Ambulance Van was put into service for the benefit of the underprivileged.
- A secondary and higher secondary school (science) was set-up for tribal students. Through the Shrimad Rajchandra Educational Aids project, school bags, notebooks, ball pens, etc. were distributed to over 2,50,000 needy students at highly subsidised rates.
- A new facility to provide employment to rural women was set-up. Humanitarian Care initiatives touched the lives of over 4,00,000 people which included the aged, orphans, terminally ill patients and the road side poor.
- Over 10,000 animals were saved from slaughter and rehabilitated to animal shelter homes and over 4000 animals were given medical treatment under the Shrimad Rajchandra Mobile Veterinary Service.

SRLC treated over 3,00,000 patients last 3 years and it's focused effort of working towards the health of the underprivileged won it the Medscape India Award for "Excellence in Rural Health".

Cancer Patients Aid Association (CPAA) is an all-encompassing cancer help-agency that works towards patient care, aid and assistance, awareness and advocacy. CPAA has a holistic approach to treatment of cancer right from detection to the rehabilitation of the patient thereby totally managing the disease.

CPAA through its participation at the Standard Chartered Mumbai Marathon over the last 5 years has raised an aggregate of ₹ 64,39,173. These funds have been utilized in aid for more than thousand leukemia patients.

“Standard Chartered Mumbai Marathon continues to be one of the bigger fundraising platform for CPAA. The Funds raised have been utilized to aid over thousand patients i.e. Children having Leukemia. Many of them are now totally cured and leading a normal life, while others are undergoing treatment.”

“ SCMM has emerged as the most important fund raising tool for a small organisation like ours because of the ease of donating as well as the high visibility of the event. ”

Sujana Krishnamoorthy
Executive Director, UTMT Society

Under The Mango Tree Society (UTMT) takes beekeeping to small marginal farmers in order to increase their agricultural incomes through better yields and honey.

The organization raised ₹ 4,88,860 at the 2013 edition of the Standard Chartered Mumbai Marathon. Part of the funds was used for a two-day advanced Master Trainer training held in Gujarat in November 2013, to equip UTMT's old Master Trainers and budding Master Trainers (MTs) in Gujarat and Maharashtra with advanced bee-keeping techniques. The main focus of the training was on new techniques to keep the honeybee colony healthy which would help increase quantities of honey obtained. Several MTs have reported that the training was quite useful as after putting it into practice, they have seen less number of colonies absconding and healthier bee-boxes which points towards a good honey flow season in 2014. The rest of the funds have fed into year-long training for groups of farmers in Gujarat.

United Way Mumbai Helpline (UWMH) executes public-private partnership projects for betterment of environment, community health and disaster preparedness in Mumbai.

Through funds raised during SCMM in past few years, United Way Mumbai Helpline has been able to achieve the following:

- Preparing Mumbaikars in Disaster Response: Training of 10000 Mumbaikars in basic disaster response and first aid skills.
- Empowering Mumbaikars through Clean-Up Warning Cards: A staggering 5000 citizens have signed up for “Your City in Your Hands”, a campaign for promotion of cleanliness in the city.
- Eco-Friendly Ganesh Festival: The Ganesh festival generates a large amount of 'nirmalya', i.e. holy waste in the form of flowers, decoration material and other religious offerings. For three years now, UWMH mobilizes over 500 college youth each year for carrying out Nirmalya collection, segregation and clean-up drives at major immersion sites of the city such as Juhu Beach, Girgaon Chowpaty and Dadar Chowpaty. Through these initiatives UWMH volunteers could reach out to more than 3000 Ganesh Mandals appealing to them to adopt eco-friendly initiatives for the Ganesh Festival.
- Efforts for increasing greenery in the city: 300 trees planted across various locations in the city with maintenance and nurturing for the period of one year through local community participation.
- Clean Railway Station Campaigns in partnership of Western Railway: Western Railway has identified UWMH as the lead NGO for the campaign on cleanliness for which UWMH mobilises more than 500 college youth from various colleges situated in the vicinity of the railway stations to spread awareness through innovative strategies such as street play performances at railway stations, Poster Exhibition, One to One Interaction with Commuters, holding placards, posters and banners at railway stations.

Save The Children - India

Save The Children India is a 25 year old not for profit organization established by the Late Mrs. Vipula Kadri in 1988. The organization works in the realms of Education, Health, Women Empowerment and Livelihoods.

Save The Children India is the **2nd highest fund raising NGO at the Standard Chartered Mumbai 2014** having raised ₹ 1,03,91,277.

As an NGO working in diverse areas, the Standard Chartered Mumbai Marathon over the last 3 years has primarily helped in providing an impetus to our education initiatives.

- The Special Care Centre, a school located in Bandra-Kurla Complex, where 250 hearing impaired and mentally challenged children from less privileged socio-economic backgrounds are given a daily commute, nutritious meals, a holistic education and vocational training. For the first time in 2013, 10 hearing impaired children appeared for and passed the SSC examination with first class.
- 150 Balwadis run by the organization which provides pre-school education to the children from less privileged socio-economic backgrounds to lay a strong educational foundation at an impressionable age.
- 111 comprehensive Study Centres spread across Mumbai having an Accelerated Learning Module to help address the problem of children whose grade level competencies are below their age appropriate grade level.

"I never used to like math, but now I like it because it is being taught through games."
- **Priya Randeep Kadam** [4th grade, Ambedkar Municipal School]

"I like to write in workbooks instead of regular notebooks, because in workbooks I can use different colours and paint."
- **Mahesh Lokhande** [7th grade, Ambedkar school]

"The Standard Chartered Mumbai Marathon provides a huge and credible platform that enables us to raise funds for our various initiatives. It also acts as an excellent catalyst to facilitate change in the society. It is heartening to see individuals, corporations and various organizations coming together to support the spirit of philanthropy, and to make a commitment to making the country a better place."

ABOUT UNITED WAY MUMBAI

United Way of Mumbai (UWM) is a non-profit organization advancing the common good, creating opportunities for a better life for all by focusing on education, income and health. Through collective action, UWM endeavors to engage the corporate sector into meaningful Social Responsibility initiatives by mobilizing the caring power of communities, uniting individuals and organizations with the will, passion, expertise, and resources needed to solve problems.

UWM is a member of the United Way Worldwide network which is present in 41 countries. Globally there are 1800 local chapters that collectively raise more than USD 5.2 billion annually, from 11 million donors and 2.5 million volunteers. The United Way movement mobilizes millions to action — to give, advocate and volunteer — to improve the conditions in which they live.

There are several charitable organizations involved in commendable grassroots activities, but do not have the wherewithal to acquire funding for their projects. United Way of Mumbai strives to not only bridge this gap but also to help in capacity building of NGOs. The endeavor is to ensure a steady stream of income for sustainable projects which aid long term community development.

United Way of Mumbai is today a leader in community impact and an acknowledged name in resource mobilization. The high degree of involvement of the Governing Board, comprising corporate CEOs, adds to the credibility of the organization’s functioning ensuring the highest standards of integrity are maintained in fund allocation and management.

In our past 6 years of association with the Standard Chartered Mumbai Marathon as the official charity partners, we are proud to have help raise the charity figures from ₹ 7.75 Crores in 2009 to ₹ 20.11 Crores this year, altogether raising above ₹ 83 Crores for the sector.

For more information on United Way of Mumbai, please visit www.unitedwaymumbai.org or write in to contact@unitedwaymumbai.org

THE FINANCIALS OF FUNDRAISING

The Standard Chartered Mumbai Marathon is one of the most cost effective fundraising option available for NGO’s in India. Every year through increased efficiencies and benefits that accrue from economies of scale the administrative expenses has reduced from 12.2 % of fundraised amounts to 5 % over the last 6 years of United Way of Mumbai’s partnership with the event.

It is a matter of immense pride for us that over 99% of all the amounts raised by individual fundraisers and their donors gets disbursed to the beneficiary NGO. United Way of Mumbai absorbs the payment gateway charges on all the donations received on its website to ensure 100% is disbursed to the NGO. Our administration expenses are sustained primarily from the registration fees from the corporate challenge category (89%).

* UWM Admin also includes the 2% payable to the charity commissioners PTA fund on applicable cause categories from the gross amount. After provisioning for the same, overall UWM admin percentage from total donations received by UWM is 3.8%.

** Payable Event fee is the amount that is paid to Procam International as the SCMM entry fees of participants in each category.

*** Due to payment gateway charges on online donations, actual donation amount received by UWM is lower than the amounts that are disbursed.
